Session fees are due at the end of the session, and will be based on the total session time, rounded to the nearest hour, from the scheduled session start time until photography has been completed at the final location. Travel time from the first location to any others are included in the session time.

I generally work evenings and weekend days, and only schedule one session per day.

Add-on product fees are due at the time of order. Sales tax is collected on all fees. Payment by personal check is preferred, and we will accept Paypal, credit/debit of MC/Visa/Discover or cash as well. Prices are subject to change but will not change once your session fees are paid.
